

# St. Joseph Catholic School

## Tuition & Fee Schedule 2026-2027

Parishioner rate tuition is for registered, actively tithing parishioners at one of the region parishes. Please note that tuition does not cover the full cost for your child. St. Joseph Parish and the other participating parishes cover approximately 34% of the cost per child.

| Students in<br>TK - 8th Grade | Parishioner Tuition<br>Rate Per Child | Out of Parish<br>Tuition/Non-Catholi<br>c/Non-Actively<br>Tithing | Actual Per Pupil Cost |
|-------------------------------|---------------------------------------|-------------------------------------------------------------------|-----------------------|
| Tuition per student           | \$6,200                               | \$8,250                                                           | \$9,265               |

**Additional Fees - \$200 Technology Fee/Per Child (Grades TK-8)**  
**- \$100 Registration Fee**

| HOT LUNCH  |                                     |                   |
|------------|-------------------------------------|-------------------|
| \$3.50/Day | \$1.65/Extra Entree<br>(Grades 5-8) | \$1.00/Extra Milk |

| BUSING                                                                |                                                                                                                                                                                                                                                                                                                        |                                                          |
