Asbestos Containing Materials

It shall be the policy of the Saint Joseph Board of Education that friable and non-friable asbestos containing materials be maintained in good condition and appropriate precautions followed when the material is distributed for any reason. If there is need to replace asbestos wrapped pipes or boiler covering, these will be replaced with non-asbestos containing materials.

Saint Joseph School shall implement the rules of AHERA according to a diocesan plan funded through fees assessed to each school. The Diocese of Des Moines shall appoint and train as necessary the appropriate person as required in the rules.
